6 Hi Harry

7
8 Thanks for these

9
10 They had that picture (I think) in a frame (from the
11 corridor walls i presume) in the refectory that saturday...
12 and Dan Dwyer has it too. I think it is... but will try
13 to send it to Dan, as he has chapel and verse for everything
14 football

15
16 the 6A, 6B names etc , the date stamp and the TomOKeefe
17 all date it to 65

18
19 But the score doesn't match .. if Bart got the only goal
20 that day, how can it be 7 points ?

21
22 Dan will have that score in his 'memorex' too...
23 he read out the team in the radio interview

24
25 I got a whole load of handwritten lists (cubicle assignments,
26 shower groups etc) from Cliff (Dermot Clifford, Dean our
27 last year) that I will post as soon as I scan then.

28
29 All the best

42 Seamus:
43 Found this picture recently – at the bottom of a drawer.
44 It may be the senior team our final year? However, I am not sure?
45 The names are written on the back of the picture.
